MONTANA JCI SENATE NEWSLETTER

March 2014

A MESSAGE FROM YOUR PRESIDENT. . . .

Hello Everybody

I hope you all made it through the winter without too many problems. We have a few things coming up real soon. We will be having our Annual JCI Senate meeting in Great Falls May 2-4. This is the one you need to be at since it is our election meeting. Then in July 11-13 is the fun in the sun camp out. September is the Jaycee Convention in Havre the weekend of the 13th. If you plan on being there Friday night, please help judge the competitions. We will be hosting the JCI Senate Region 9 Meeting in 2015. So start making out your calendars and come and have some great times with your fellow senators.

We had a great turnout our meeting in Laurel in February. I believe we had over 25 senators show up. Some we haven't seen for a while.

I just wanted to say thank you to everyone for this past year for all you hard work. You gals are the greatest to work with, you too Marlin. Hope to see everyone in Great Falls. Until then take care.

Hello Everyone! I hope you all are doing well. Sorry I have not been at the past couple of meetings – now that Caden is in kindergarten seems like we have something going on every weekend. As of right now I am planning on being in Great Falls for the annual meeting so I hope to see a lot of you there.

I have included with this newsletter an information page for the upcoming May meeting in Great Falls. A huge thank you to Janet Prescott for getting this all set up for us. **Please let me know by April 15th if you plan on attending the meeting so we can make the meeting room arrangements with the hotel**. Feel free to email me at mjfiggins7@msn.com or give me a call or send a text to (406) 209-6500.

As always if you have any news, tidbits or photos that you would like to add to either the newsletter or our webpage please let me know and I will get that handled.
