Hello Montana Senators!

With the weather finally warming up and the grass turning green, it can only mean another Senate year is almost in the books. So, with only a little more ado, let's get started.

To begin, I need to apologize for the tardiness of this newsletter. I've been sick the last couple of weeks and haven't been in the mood to work on it. Selfish, I know. But, fortunately, I'm feeling much better and can finally get down to the business at hand.

In case you've forgotten, the Year-End meeting of the Montana Senate will be held in Great Falls the weekend of May 3-5. This is always a great time filled with friends, food, a beverage or two and some of the best Prime Rib you'll find anywhere mermaids swim. Some of the meeting times have been changed this year to allow me to attend some family commitments Saturday afternoon. So be sure to check out the information/registration page in this newsletter for a brief weekend agenda. If you are planning to attend, hotel information can be found on our website under upcoming events. I hope to see you there, especially at election time.

I hope any of you who attended our social meetings during the Jaycee conventions in Billings and Sidney this year enjoyed them as much as I did. These are great opportunities to re-activate our senate members. They give the membership a chance to get together without

always having to travel to us, **because we come to them.** And while we are there, the Jaycees are always telling me how happy they are the senate takes the time to join them at their activities. So, it's a win-win for all of us.

In closing, I'd like to send a special thank you to my board for sticking with me for the past two years and for all of their help. And thank you to the Montana Senate for your support.

Best Wishes and Thanx,

Ross Moritz #65304
