NOVEMBER 2025

417 25th Ave. NW,
Sidney MT 59270

Hello everyone,

Well, just got back from the meeting in Lewistown. Was good to see so many show up for the meeting and visit with you all.

Dates to keep in mind:

- MT JCI convention is Feb. 27-28 in Havre.
- Year-End Senate & Region 9 Meeting is May 2nd in Great Falls at the O`Haire Motor Inn. Make sure to call soon to book your room number (406) 454-2141.

Chuck gave us campout information on both Fairmount Hot Springs and Kim's Marina in Helena. After lots of discussion, we voted to continue with Kim's for this next year. If anyone has a different place to look at, please bring all the information to Great Falls or to campout.

Fairmont RV Park vs. Kim's Marina

On Saturday, October 4th in Lewistown, MT, the debate was on.

The winner is

Hold on, let's give you the rundown. For the past several years, the annual campout has been held at Kim's Marina along the banks of Canyon Ferry Lake, Helena, MT. The first few years, Kim's was under the ownership of Maryann & Greg Axtman, who were awarded

the Friends of the JCI.

Since that time, Kim's has been sold and changes have occurred. Thanks to Janet & Tracy Prescott, things have been better but some members thought a change of venue might be welcome. The idea of Fairmont RV Park came about. Thanks to Debe Youngberg for getting us the information on the Fairmont facilities. Lots of discussion back and forth, good and not so good involving both venues. The bottom line is the campout is all about getting together and telling stories of past Jaycee experiences and all that we got out of being a Jaycee. The venue is not the most important thing, It's the gathering.

Back to the vote!

For those who voted, it ended up: Kim's Marina - 7, Fairmont - 6 and 3 votes for either. So based on the vote, we will see you all once again at Kim's Marina the weekend of July 9-12, 2026. More information will come out later and planning is already in the works thanks to Janet Prescott. Once again, mark your calendars.

Rumor has it there will be a presentation on a possible different location for 2027 Campout. You need to show up at Kim's to be there to support the venue you want for the summer 2027 campout.
