Fellow Senators,

Hope you all made it through the smoke & fires. I think we were fortunate that the big fire came before we were all at the campout. Would have been more disappointing to have to pack everything up & leave because of a fire.

Cindy & I won't be able to be in Billings for the Jaycee convention. It's volleyball season & we are both booked Friday & Saturday that weekend.

We had a great visit with our NVP, Suzy Qui last month as she was passing through on her adventure to Wisconsin.

Cindy would like to thank everyone that has been praying for her after her cancer diagnosis back in January. She is cancer free after her last checkup a month ago.

We look forward to see you all in the near future. Have fun without us in Billings.

Greetings Fellow Senators,

Thank you to all plaque sponsors. The Montana Jaycees appreciate your support. If you haven't paid your dues yet this year, please send your check.

We were very disappointed that we couldn't have our camp out. We personally had a nice trip to Miles City and back. Please try to attend the meeting in Billings on **October 12 at 10:00am, at the Billings Moose Lodge, 131 Calhoun Lane.** We do have some Senate business that needs to be taken care of.

Planning has started for the May 2025 meeting in Great Falls and next year's campout in July. Please watch for upcoming information.

Thank you for all you do.

Tami Christensen, *Treasurer*

Hello Montana Senators!

Just when you thought I was out of your mailbox, I decide to add an article to the newsletter.

They finally found a Board position for me that I can handle. Sitting back and looking good.

It was fun seeing so many faces at campout this year, especially around the campfire. Tacky I know, considering it had to be cancelled due to a fire in the area, but someone had to mention it.

Anyway, we are once again faced with an upcoming Jaycee Convention. That's right, the Moose Lodge in Billings is the place to be October 11-12 for the Fall Election Convention. Be sure to come, if for no other reason than to watch our own Senator Mitch Hoff (who runs the Moose Lodge) spend the weekend putting out fires and dealing with impossible demands while the rest of us are relaxing and enjoying ourselves. I've even been reliably informed a senate meeting will be held on Saturday.

Most joking aside, the Jaycees are always grateful when the Senate is able attend their conventions and show their support. So please give some thought to being there, or at least stopping in for visit if you're in the area. It's always good to catch up with friends.

Hope to see you there,

Ross Moritz #65304
